

## The MaxiPrint desk-top system

The MaxiPrint is a versatile British-Made heat press capable of performing multiple tasks. It is **robustly constructed** and designed to last a life-time.

The MaxiPrint's swing head enables you have a greater vision of your layout thus avoiding costly mistakes of incorrectly aligned transfers.

## Sublimation Printing

The MaxiPrint's massive 8 cm 'daylight opening' enables you to easily adjust the press to **acomodate thicker products** such as Awards, Plaques etc.

The MaxiPrint is just as comfortable with printing onto smaller products such as coasters, table mats, tiles, mousemat, jigsaw puzzles, desk name plates, metal, tags and a whole lot more, with minimal fuss.

## Garment Printing

The MaxiPrint makes it a dream to print onto t-shirts, sweat shirts, polo shirts, high visibility jackets, overalls, bibs & brace, warehouse & drivers jackets as well as schoolwear, school bags, sports bags etc.

Thanks to it's '**Tuck-a-way**' feature, it is easier than ever to print onto the reverse of garments without worrying about zips, buckles, buttons interfering with the print process. Three optional attachments are now also available.

## Hot Foil Printing

Just when you thought that it couldn't get any better - the MaxiPrint just did!  
How about using the MaxiPrint to carry out hot foil printing **without having to fork out another £1545.00 or so on a separate hot foil machine!**

The MaxiPrint can easily be converted into a basic, yet highly effective hot foil printing machine capable of printing onto products such as business cards, key fobs, bookmarks, coasters, diaries, when used in conjunction with a metal printing plate.

## Toner Foil Printing

Fancy saving another £1400.00 or so on a separate toner foil machine - well you can because the MaxiPrint can now also change your boring black & white photo or laser copies into foil printed items **without using any printing plates!** This process is great for producing **wedding stationery**, inserts, invites, certificates, greetings cards, letterheads, compliment slips. Print in one or multiple colours - all at once!
